

IT FINANCE & CONTROLLING EXPERT

IT Finance & Controlling Expert (f/m/x)

Your Mission

Be the driving force behind our global S/4HANA transformation. As an SAP FI/CO expert, you'll design smart finance solutions, optimize processes, and make sure our systems run seamlessly across the globe.

What to Expect

- Shape and customize Finance & Controlling processes in SAP S/4HANA Cloud
- Act as the go-to expert for integration and technical solutions
- Support migrations and international rollouts with hands-on expertise
- Collaborate closely with business process owners and external partners
- Provide 2nd & 3rd level support to keep operations smooth

What You Bring

- 5+ years of SAP FI/CO experience, including customizing
- Strong knowledge of S/4HANA Cloud, Fiori, and integration topics
- Expertise in key areas like GL, AP, AR, Banking, Asset & Cost Accounting
- Analytical mindset and ability to turn complex requirements into solutions
- Fluent English (German is a plus)
- Degree in IT, Business Informatics, or similar

What we offer

- Responsible tasks in an international industrial company with a long tradition and a future-oriented approach
- Room for creativity and the opportunity to contribute and implement your own ideas
- A collegial work environment characterized by team spirit, mutual respect, and open communication
- Flexible working hours and hybrid work options
- Training and development opportunities
- Attractive social benefits and perks

Location: 1100 Vienna

Annual gross salary: starting from **EUR 65.748,20** [according to the collective agreement for the chemical industry, based on full-time employment]

Depending on experience and qualifications, overpayment is possible.
