

**Press release****Semperit postpones publication of the interim Group report for third quarter: examination of a potential impairment loss at Sempermed**

Vienna, Austria, 13 November 2019 – Based on the current insights of the Executive Board of the Semperit AG Holding into the competitive environment of the medical business, a significant impairment loss might occur in the Medical Sector (Sempermed segment). The publication of the interim Group report as of 30 September 2019, which was planned for 21 November 2019, will be postponed; the new date will be announced separately. On 21 November 2019, a shortened reporting will be presented.

**About Semperit:**

The publicly listed company Semperit AG Holding is an internationally-oriented group that develops, produces, and sells in more than 100 countries highly specialised rubber products for the medical and industrial sectors: examination and surgical gloves, hydraulic and industrial hoses, conveyor belts, escalator handrails, construction profiles, cable car rings, and products for railway superstructures. The headquarters of this long-standing Austrian company, which was founded in 1824, are located in Vienna. The Semperit Group employs around 7,100 people worldwide, including about 3,800 in Asia and around 900 in Austria (Vienna and production site in Wimpassing, Lower Austria). The Group has 14 manufacturing facilities worldwide and numerous sales offices in Europe, Asia, Australia, and America. In 2018, the group generated revenue of EUR 878.5 million and an adjusted EBITDA (without one-off effects) of EUR 50.3 million.
