

Disclosed inside information / Ad hoc release**Semperit identifies probable impairment loss in Medical Sector in the order of approximately EUR 50 million**

Vienna, Austria, 13 September 2022 – Against the backdrop of the market dynamics for examination and protective gloves, the Executive Board of Semperit AG Holding reviewed the estimates and assumptions relevant to the valuation with regard to the Medical Sector (Sempermed segment). As a result, a probable impairment loss in the order of approximately EUR 50 million as of 30 September 2022 was identified for the segment assets of Sempermed.

The exact amount of the impairment loss will be included in the third quarter business development figures and will be disclosed at the latest with the publication of the Q1-3 2022 results on 16 November 2022.

About Semperit

The publicly listed company Semperit AG Holding is an internationally oriented group that develops and produces highly specialised polymer products for the industrial and medical sectors, selling them in over 100 countries around the world: hydraulic and industrial hoses, conveyor belts, escalator handrails, construction profiles, cable car rings, products for railway superstructures, and examination and surgical gloves. Founded in 1824, this long-standing Austrian company has its headquarters in Vienna, Austria. The Semperit Group employs around 7,000 people worldwide, including some 3,800 in Asia and approximately 900 in Austria (Vienna and production site Wimpassing, Lower Austria). The Group has 16 manufacturing facilities worldwide and numerous sales offices in Europe, Asia, Australia, and America. In the 2021 financial year, the Group generated revenue of EUR 1,182.2 million and an EBITDA of EUR 361.8 million.
